Connect with a small statewide group of Florida high school rising juniors and seniors to discover the exciting careers in Public Health!

THE FLORIDA PUBLIC HEALTH SCHOLARS SUMMER PROGRAM

If you want to. . .

- Explore a future in health care but are unsure about a career path.
- Know how social issues and other factors impact on quality of life.
- Work with underserved, rural, or economically challenged communities.

In this Program, you will gain. . .

- Knowledge of the many ways Public Health professionals ensure better health and well being at home and throughout the world.
- Leadership skills that will be valuable as a future health professional.
- Insights on how to strengthen the health care workforce.

Program Details

This Program will take place from June 10 to July 17, 2026 (no activities June 29-July 5) and consist of:

- Online modules on Public Health topics
- Live webinars with Public Health professionals from a wide range of backgrounds and experiences
- Activities in a local Public Health setting

Application deadline: Friday, May 22, 2026

To apply, please click here or use the QR Code.

There is no fee to participate in this program. A limited number of applicants will be accepted.
A stipend will be provided to cover the costs directly associated with participant travel, meals, supplies, etc.

Participants must have Internet access and transportation to complete the components of the program.
